

FootGolf Course at Northwest GC

NORTHWEST FOOTGOLF COURSE LAYOUT

- #1 - Par 5 - 217 yds** Tee from Blue Tee Box. Hole located on the right side of fairway. The first two kicks should be played up to the left side of the fairway, This leaves a downhill shot rolling across the fairway to set you up for a good birdie shot
- #2 - Par 4 - 131 yds** Tee from area near #1 hole. Hole located in front of left side green bunker. This is an uphill hole. First two kicks should be directed into the fairway to take advantage of a lot of roll.
- #3 - Par 4 - 155 yds** Tee from Red Tee Box. Hole located to the right of cart path. The first kick is down hill and should be directed to the right side of fairway. This kick will roll to the right towards the hole.
- #4 - Par 3 - 90 yds** Tee from area near #3 hole. Play across the fairway to the double green. Hole is the left flag stick.. Play across the fairway to take advantage of a lot of roll.
- #5 - Par 4 - 138 yds** Tee from between twin pine trees. Hole is located on the right side of the fairway over the cart path. Tough tee kick but aim right, the fairway will roll your ball to the left. Second kick will be slightly uphill and set you up for an easy par.
- #6 - Par 3 - 120 yds** Tee from Red Tee Box. Hole is located on the right side of the cart path. This is a tough downhill kick, if you over shoot the green you will be left with a difficult up hill kick from the trees
- #7 - Par 4 - 135 yds** Tee from markers in the fairway. Down hill kick, keep your ball to the right side of the fairway to take advantage of the left roll. Second kick can be tricky with the creek located behind the hole
- #8 - Par 3 - 87 yds** Tee from the Blue Box to a downhill par 3. Green is located to the left side of fairway to a double green. Aim left to take advantage of downhill right roll.
- #9 - Par 5 - 178 yds** Tee from behind the #8 hole to a downhill par 5. Play out the right and take advantage of the fairway that will give you a lot of roll to the hole located on the right side of the fairway. Third kick may be tricky with the creek as a possible hazard.
- #10 - Par 4 - 137 yds** Tee from the right of hole #9 with an over the creek kick. Second kick may bring the sand bunker into play. Hole is located on the right over the sand bunker.
- #11 - Par 4 - 124 yds** Tee from the left side Blue Tee Box. First kick should be aimed out to the right to avoid the natural hazard on the left. Hole is located to the left of the golf green and has a challenging sloping kick for a par

- #12 - Par 4 - 145 yds** Tee from behind the golf green to dramatic downhill kick. Aim a bit right to take advantage of the sloping fairway that will take your ball towards to the hole located on the right side of the fairway. Great birdie opportunity on this hole.
- #13 - Par 4 - 140 yds** Tee from the other side of bridge in trees on the left to a hole located on the double green to left side of the fairway. A challenging uphill hole.
- #14 - Par 3 - 65 yds** Tee form the Blue Tee Box to a challenging green on the left side of the cart path. Very tough tee kick with a natural hazard on the left and creek laying in wait behind the hole.
- #15 - Par 5 - 215 yds** Tee from the Red Tee Box. First two kicks should be aimed to high right side of the fairway to take advantage a very left sloping fairway. Hole is located on the left side of the cart path within the trees. A kick directed towards the sand bunker will result is a left "kick" that rolls toward the hole.
- #16 - Par 4 - 167 yds** Tee from the Red Tee Box. Hole is located on the right side of the cart towards the Pine Trees. Two good kicks will get you within birdie range.
- #17 = Par 3 - 115 yds** Tee located to the left of the #16 hole. A good kick across the fairway will result in good roll speed to set you up for a possible birdie or a "toe in par" for sure.
- #18 - Par 5 - 175** Tee to the right of hole #17. This "home hole" is a tough one. Kick into the fairway for the most roll and aim your second kick towards the hole to the right of the cart path. Par is a good score on this finishing hole.
